

## **OUTREACH REPORT FOR SEPTEMBER & OCTOBER 2021**

The Outreach Committee prepared a funeral luncheon for the family of Brian Moock in September.

The Family Living was also delivered dinner in September and October for 35-40 people.

The Committee handled the Rummage Sale for the Fall Festival. It was a tremendous undertaking with so many great donations. It was held in the former Boy Scout Room and on the lawn. Even with so many sales, we had a lot of items left over. Everything remaining was distributed to the following agencies:

**Perry Helping Perry:** Household items and clothing for their store and a few items for their Quarter Auction

**Bridge Point:** All baby items - strollers, car seats, toys, playpen, play sets, baby blankets, etc.

**Salvation Army:** All remaining items went to the Salvation Army
