October 2022 Report

No meeting this month

Suggestion's Received in October:

- Request for “normal sermon’s”, (sermons’ without jokes / comedy)
 - Reviewed this with Pastor Will
 - Anecdotes and jokes have been carefully selected to either highlight a particular point, lighten a subject matter that is challenging or otherwise illustrate or clarify a topic.
 - Pastor Will will be attentive to the expressed concern
- Request for patriotic songs on holidays recognizing “American heroes”
 - Reviewed with Pastor Will
 - Pastor Will has honored patriotic holidays using Litanies, remembrances and the like
 - Musicians play hymns on these days in their Preludes and musical selections elsewhere in service
 - Pastor Will continues to be mindful of the suggestion

NOTE: Kitchen inspection completed by the Perry Fire Department and all is in order – no issues noted and all items corrected from our last report.
